PRESENTS:

**How to clean & disinfect**

# Door Handles & Light Switches

-  Use an appropriate Bright Solutions disinfectant that works effectively on hard, non-porous surfaces.
-  Put on your safety glasses and gloves.
-  Spray the product onto a cloth, brush, or sponge and wipe entire handle or light switch until all surfaces are thoroughly wet.
-  Allow surface to remain wet. See product label instructions for appropriate dwell time.
-  Wipe dry with a clean cloth or allow to air dry.

**Recommended:  
HP202 RTU**

Read all product instructions carefully for proper use and maximum effectiveness.
