

# LOBBY/ENTRYWAYS

As one of the most common places for residents and staff to linger, lobbies and entryways are home to many shared germs. Keep everything clean by properly cleaning and disinfecting these commonly-touched surfaces.

## Key Touchpoints for cleaning include:

- 1  Door handles
- 2  Light switches
- 3  Chairs
- 4  Desk/countertops
- 5  Dispenser (hand sanitizer)
- 6  Electronics (computer, phone, etc.)
- 7  Elevator buttons (if applicable)
- 8  Trash/recycling receptacles
