

Save money and maximize storage space with

FLEXMAX™
PACKAGING

- Reduces waste
- Reduces costs
- Recyclable
- Uses up to 38% less storage space

FlexMax Packaging **replaces bulky, clumsy buckets** with a container that empties completely and collapses to nothing, yet is still **durable and portable** thanks to built-in handles. FlexMax Packaging is available for multiple Bright Solutions products. It's time to kick those buckets to the curb!

Which would you rather deal with?

One Dozen Empty Buckets
