

Finally, It's Here!

HP202 Ready-to-Use Product

We're excited to announce that a new ready-to-use version of the **hydrogen peroxide-based** product you know and love is now available for purchase! Bright Solutions HP202 RTU was created to achieve effective disinfection on hard, non-porous surfaces for facilities everywhere with no mixing required.

EPA-approved to kill SARS-CoV-2 (the virus that causes COVID-19) on hard, non-porous surfaces in 1 minute.

In just 60 seconds, **HP202 RTU** effectively kills COVID-19 on glass, plexiglass, countertops, toilets, sinks, and more. When used as directed, HP202 RTU also fights tough viruses.

 Hydrogen peroxide based formula

 One-step cleaner, disinfectant, and deodorant

 No harsh chemicals or noxious odors

 Disinfect most hard non-porous surfaces

Because your customers deserve products that effectively disinfect.
